

Future

O futuro em inglês é formado por duas expressões diferentes:

Will – futuro do verbo to be

Este futuro forma-se com **will+ infinitive**

Usa-se para:

- factos do futuro
- decisões espontâneas
- fazer previsões

Adverbs with future meaning:

- soon
- shortly
- tonight
- tomorrow
- next week
- in a few minutes
- by next week
- ...

Affirmative	Negative	Interrogative
I will eat	I will not (won't) eat	Will I eat
You will eat	You won't eat	Will You eat
He will eat	He won't eat	Will he eat
She will eat	She won't eat	Will she eat
It will eat	It won't eat	Will it eat
We will eat	We won't eat	Will we eat
You will eat	You won't eat	Will you eat
They will eat	They won't eat	Will they eat

Be Going to

Este futuro forma-se com **present of verb to be + going to + infinitive**

Usa-se para:

- Intenções
- decisões já tomadas (inevitabilidades)
- previsões com base em acontecimentos presentes

Affirmative	Negative	Interrogative
I am going to travel	I am not going to travel	Am I going to travel
You are going to travel	You aren't going to travel	Are You going to travel
He is going to travel	He isn't going to travel	Is He going to travel
She is going to travel	She isn't going to travel	Is She going to travel
It is going to travel	It isn't going to travel	Is It going to travel
We are going to travel	We aren't going to travel	Are We going to travel
You are going to travel	You aren't going to travel	Are You going to travel
They are going to travel	They aren't going to travel	Are They going to travel
